ENVIRONMENTAL SUSTAINABILITY POLICY

Policy

Gloucester Broadcasters Association Inc. respects our relationship with the natural environment and its ecosystems. We acknowledge the adverse impacts that human activity can impose and take actions to prevent degradation of those natural systems.

Gloucester Broadcasters Association Inc commits to the following principles and practices:

- Monitoring and managing our environmental performance and working towards targets set to reduce adverse impacts.
- Complying with relevant Australian Commonwealth, State and Local environmental policy, practices, regulations and legislation, and industry-specific legislation.
- Reducing the consumption of natural resources in daily operations, including water, paper and energy.
- Maximising the recycling of resources.
- Disposing of waste appropriately, including e-waste at designated e-waste centres.
- Committing to the principles of preventing pollution to the environment and continual improvement.
- Where possible, encouraging suppliers to meet high standards of environmental performance.
- Communicating this policy to all employees, contractors and other stakeholders, as well as making this policy available to the general public.
- Reviewing this policy annually and measuring targets and performance as part of that review.
